CpSc 8200: Parallel Processing, What to Include in a Reading Report

---

- Your reading report should be **professionally** written; should be **technical, not verbose** and should contain one paragraph on each of the following topics
    - A one-paragraph **summary** of the paper
    - A one-paragraph discussion of **the main point** of the paper
    - A one-paragraph discussion of **the strengths** of the paper If none, why not?
    - A one-paragraph discussion of **the weaknesses** of the paper If none, why not?
    - A one-paragraph discussion of **what you learned** from the paper

  Be sure to include the following information as well:

    - **Your name**
    - The **full bibliographical reference** for the paper
    - A bibliography of any outside references used during the reading of the paper or the writing of the report

  Reports are **graded on spelling**, **grammar**, and **style** and of course, **content**

  You should submit a **pdf file (email me with the pdf file as an attachment; the subject heading must be of the form "CpSc 8200: Assignment #, your name"; please do not deviate from this format; otherwise your submission may be misplaced).**
