useful reference.

Lecture Notes by J. M. Westall
Available online at:

http://www.cs.clemson.edu/~westall/851/notes

Topics: See notes directory

Grading:
Exam   30%
Weekly quizzes (n) 70%

Final avg >=   insures grade no worse than
   90   A
   80   B
   70   C
   60   D

Two comprehensive makeup quizzes will be given at the time of
the final exam. No other makeup quizzes will be given. Weekly
quizzes will be generally be given on Thursday but the date is
subject to change. You will always be given at least one class's
prior notice.

All work on quizzes is expected to be your own individual effort.
Violations of this policy will be subject to the penalties for
academic dishonesty.

Group work in PREPARATION for quizzes BEFORE class is perfectly
fine and is ENCOURAGED.
